

ESTATE PROSPERITY

Photo by Susan Beach

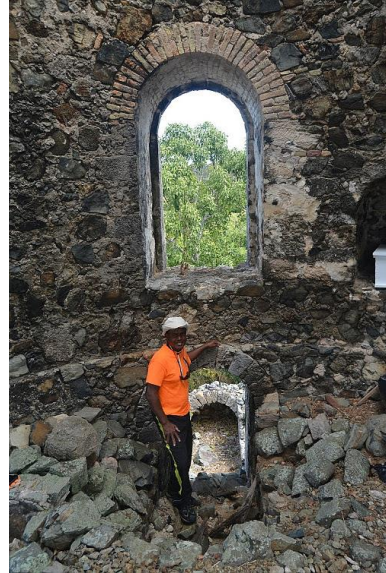

Photo by Bill Cleveland

Shalena Brown and Brian O'Reilly observe different growth phases of cane on the Estate Prosperity farm, West End. Owner Bob Apfel and his crew have planted cane stalks at different times, and this section is the first to mature.

Between February 25 and March 3, Dr. William Cleveland brought SVIH members to sites to photograph and measure the windmills as part of a digital project, providing information about each mill
